Indoor Group	3	5	3	0	2	9	Progressed through to Finals
Indoor Finals	3	5	3	0	2	9	Tournament 3 rd best team from 12 teams

16 competitive teams (Inter-6th class), 6th class entered competitive leagues for the 1st time this year. Of the 16 teams, 10 finished in 1st, 2nd or 3rd position based on games played. 7 teams in league play offs, 3 in shield play offs. 1st-5th class had a number of blitzes. Each week saw between 35 and 45 girls take part in training for each age category.

Girls chair role has been vacant again this year. Thank you to the managers for their communications with parents, doing role call and helping out on the sideline each week. Thank you to Nikki for running Foxrock so efficiently each week and to the regular coaches up there who step in to coordinate when she isn't there. Big thank you to all the girls' coaches for their commitment each weekend. Peter Glanville looked after all the fixtures this year, massive job so thank you very much and for his assistance to AI. Thank you to the parents for supporting the coaches and managers, being on the sideline and for encouraging their children. Held parents training session, would hope to do more in the future. Girls numbers are very strong so hope to continue to strengthen the girls' section.
